

THUMMALA KHALIDA

Anantapur, Andhra Pradesh

+91 7569769986 — khalidathummala38@gmail.com — LinkedIn — GitHub

PROFESSIONAL SUMMARY

Computer Science undergraduate with hands-on software development experience through an SDE internship at Amazon and full-stack development roles. Proven expertise in building full-stack platforms and AI-driven architectures, including RAG pipelines and clinical documentation tools. Highly skilled in designing scalable software solutions, optimizing system workflows, and applying generative AI and microservices practices to solve real-world engineering problems

TECHNICAL SKILLS

Programming Languages: C, Java, Basic Python

Web Development: HTML, CSS, JavaScript, React.js, Node.js

Databases & Frameworks: MySQL, PostgreSQL, FastAPI

Cloud, Tools & Architectures: Git, GitHub, VS Code, AWS, Distributed Systems, Microservices

Soft Skills: Creative Thinking, Leadership, Communication, Team Collaboration

EXPERIENCE

DigiVerve Solutions Pvt. Ltd.

April 2026 – June 2026

Full Stack Development Intern

- Architecting and maintaining full-stack features using modern web frameworks to enhance platform performance.
- Developing robust backend APIs and managing relational and non-relational database models for high availability.

Amazon Development Centre India

May 2025 – July 2025

Software Development Engineer (SDE) Intern

- Engineered backend integration for ESGS services, optimizing communication with Triton and reducing latency by 15%.
- Reconstructed authentication and validation pipelines, improving automated testing reliability.
- Optimized microservice API layers and streamlined debugging across distributed systems in high-scale environments.

PROJECTS

ArogyaScribe – AI Clinical Documentation & RAG Platform

React.js, FastAPI, PostgreSQL

Project Link: github.com/khalida-thummala/ArogyaScribe

- Built an AI-powered clinical documentation platform that automates SOAP note generation from doctor-patient conversations.
- Developed a Retrieval-Augmented Generation (RAG) pipeline using LangChain and PostgreSQL for semantic search across medical records.
- Integrated Speech-to-Text APIs and GPT-4 models to transcribe consultations and generate structured medical summaries.

MemoryLane – Full-Stack Digital Memory Platform

React.js, Node.js, Supabase

Project Link: github.com/khalida-thummala/MemoryLane_Personal

- Developed a full-stack social memory platform enabling users to capture, organize, and share personal moments securely.
- Integrated Cloudinary media uploads and AI-powered tagging using Google Gemini for intelligent memory organization.
- Built collaborative albums, friend/follower workflows, and privacy-controlled sharing features for personalized social feeds.

EDUCATION

JNTUA College of Engineering, Anantapur

2023 – 2027

Bachelor of Technology in Computer Science and Engineering

CGPA: 8.5

Relevant Coursework: CS Fundamentals, Operating Systems, Database Management Systems, Web Technologies

Narayana Junior College, Kadapa

2021 – 2023

Intermediate (MPC)

Percentage: 96.6%

Relevant Coursework: Mathematics, Physics, Chemistry, English

ACHIEVEMENTS & CERTIFICATIONS

- J.P. Morgan Chase & Co. Certification:** Completed Software Engineering Job Simulation via Forage (June 2026) covering Kafka, H2 database, Project Setup, and REST API Integration
- IIT Kharagpur NPTEL Elite+Topper Certificate:** Ranked in the Top 2% nationwide in Natural Language Processing (Score: 81%).
- AFE-FFE Scholar & Amazon Scholarship Recipient:** Selected based on academic merit and leadership potential.
- Selected for **Infosys Springboard Virtual Internship 7.0** – Artificial Intelligence Domain.
- Global Leadership Program on Systems Thinking by **Foundation for Excellence (FFE)**.
- Amazon Future Engineer Bootcamp Certificate:** Specialization in Java & Data Structures (2023).
- AWS Academy Graduate:** Introducing Generative AI with AWS via Udacity.
- AI Prompt Engineering Mastery:** Completed training via the Naipunyam Program.
- FLY Scholar Program Certification:** Awarded by the Competitiveness Mindset Institute, USA.
